

Rosedale Rapids Weather Policy

At Rosedale Rapids, the safety of our patrons and staff is our top priority. While we would love to enjoy warm, sunny weather every day, we understand that weather conditions can be unpredictable. To help guide our decisions, we've established the following weather-related protocols:

Open Swim Protocol

- **If the temperature is below 70°F:**
 - Open swim will **not** begin at 1:00 PM.
 - We will reassess and attempt to open at **3:00 PM** if conditions improve.
- If **attendance gets below 25**, we may **close within 30 minutes**

Fitness & Swim Lessons Protocol

- **If the temperature is below 65°F:**
 - **Fitness** will be canceled.
 - **Swim Lessons** will be canceled.

Please check our Facebook page (Rosedale Rapids) and our voicemail for any weather updates.
