## Fort Dodge Recreation Services Youth Activity Registration Scholarship Program and Guidelines

Dear Parent/Guardian:

We believe that every child should receive the opportunity to participate in recreation activities in our community. Whether that's sports or fun class activities, we have something for everyone ages 2-12. We have found over the years that not every child receives the opportunity to participate due to financial hardships. This year, during our sponsorship request we have asked businesses to supply funds to help offset those costs for financially burdened families.

Through the generous sponsorship of our local businesses, we were able to secure funds for the 2026 year to offer a scholarship program to those in need. Our programs and activities typically range from \$10 to a maximum rate of \$100 dollars. Your child may qualify for a reduced activity/program registration fee of 50% per the income guidelines and regulations.

Here is a list of commonly asked questions about our scholarship program:

1. Who can qualify for a scholarship?

- Children must live within Webster County
- All children in households receive benefits from the Supplemental Nutrition Assistance Program (SNAP), the Family Investment Program (FIP), or a few specific Medicaid programs are eligible
- Foster Children under the legal responsibility of a foster family or an agency
- Head start students
- If your household's income is at or below the limits on the Federal Income Eligibility Guidelines below, and an application is submitted
