**ADDENDUM # 1  
TO PLANS AND SPECIFICATIONS FOR:  
2026 PCC Patch Project**

To all plan holders:

The plans and specifications for the above referenced project shall be changed as follows:

- CD Joints are required for transverse joints in patches greater than 15' long. See SUDAS Figure 7040.102 replacing C joints with CD.
- PCC mix shall be C-4 with no substitute cementitious materials (straight cement).

**THIS ADDENDUM #1 SHALL BE ACKNOWLEDGED WITH THE BIDDER'S PROPOSAL.**

A handwritten signature in blue ink that reads "Austin Morrow".

Austin Morrow, PE  
City Engineer
