#### Fort Dodge City Council Board of Health Meeting on August 11, 2014

Mayor Pro Tem Flattery called meeting to order at 5:02 p.m. Present: Council Members: David Flattery, Jeffrey Halter, Don Wilson, Andy Fritz, Kim Alstott, Terry Moehnke and Dean Hill. Absent: Mayor Bemrich.

The Board of Health considered the condition of properties located at 310 and 312 G Street. Mayor Pro Tem Flattery reported that the houses were overwhelmed with animals, ammonia and feces when officials came to inspect. Fire Chief Hulett reported that because of the high ammonia levels, the houses were not save for habitation and all animals were removed. Windows are open but based on the levels of contamination, the ammonia could be difficult to abate because urine is soaked into the floor. Hulett stated contamination is not hazardous to the neighbors. Attorney Monte Fisher was present to represent the owner. Fisher reported that the owner would like to make a good faith effort to rectify the issue by hiring a professional cleaner and would like to coordinate access to her property. City Attorney Crimmins was directed to draft an order stating that the owner contact a professional expert for their opinion on clean up and the structural integrity of the houses. The owner must present an inspection report to the Board of Health in two weeks and not reside in the houses until Board approves. Council Member Fritz asked that a member of the Hazmat team help the owner get her personal items out of the house.

Council Member Moehnke moved for adjournment. Motion seconded by Fritz. Aye: 7. Nay: 0. Motion carried. Meeting adjourned at 5:25 p.m.
