

ORDINANCE NO. 2194

**ORDINANCE AMENDING THE CITY OF FORT DODGE MUNICIPAL CODE
Water and Sewers**

BE IT ORDAINED BY THE CITY COUNCIL OF FORT DODGE, IOWA:

SECTION I

This Ordinance amends the City of Fort Dodge Municipal Code Chapter 13.12 of Title 13.

SECTION II

The Municipal Code of the City of Fort Dodge is hereby amended, adding new Section 13.12.120 Miscellaneous Fees of Title 13 as follows:

Chapter 13.12

Sewage Disposal Rates and Regulations

13.12.120 Miscellaneous Fees.

A. Industrial Pretreatment Program Operation Fees.

- a. Separate from any fees, fines and penalties covered under other sections of this Chapter, the City may adopt reasonable charges and fees for reimbursement of costs of setting up and operating the City's Industrial Pretreatment Program (IPP). The fees shall be set by the Director and shall be established on a yearly basis, at a minimum, and shall be established from the previous year's operating costs. The Director shall be as defined by Chapter 13.24. These fees may include:
 - i. Fees for wastewater discharge permit applications, including the cost processing such applications;
 - ii. Fees for monitoring, inspection and surveillance procedures including, the cost of collection and analyzing an industrial user's discharge and reviewing and monitoring reports submitted by industrial users;
 - iii. Fees for reviewing and responding to accidental discharge procedures and construction;
 - iv. Fees for filing appeals; and
 - v. Other fees as the City may deem necessary to carry out the requirements of the program.

B. Laboratory analysis for hauled waste or samples not covered by IPP.

- a. Laboratory fees for those analyses performed by the City shall be as follows:

Test	Cost / Sample
BOD	\$25.00
TSS	\$10.00
Oil and grease	\$45.00

Nitrogen, ammonia	\$20.00
-------------------	---------

- b. Fees for analysis performed by laboratories other than the City's WPCF laboratory shall be the full cost of each analysis.

C. Septage receiving

- a. A treatment fee shall be charged per pound of hauled septage waste received at the WPCF for all wastes treated at the WPCF. The fee shall be equal to the cost of disposal and treatment of an equivalent volume and mass of pollutants otherwise delivered into the WPCF. The treatment fee shall include: (1) the volume charge component, (2) a treatment surcharge component for each pollutant as found in section 13.12.40 of this chapter, and (3) a program cost component. The program cost component shall be calculated by dividing the annual administrative costs of the waste hauler program by the total gallons of hauled waste treated in the previous calendar year. The surcharge component shall be calculated using the average concentration of pollutants found in hauled wastes delivered to the wastewater reclamation facility. The treatment surcharge and program cost components shall be reviewed and updated annually based on the most recent data collected by the operating agency.
- b. Fees shall be computed and recorded at the disposal station and shall be paid by the waste hauler on the basis of monthly billings by the operating contractor. These fees shall be established on a yearly basis, at a minimum, by the Director. The Director shall be as defined by Chapter 13.24."

SECTION III

The Municipal Code of the City of Fort Dodge is hereby amended , adding new Section 13.24.120 Miscellaneous Fees of Title 13.

SECTION IV

That upon enactment of this Ordinance as by law provided that the City cause the change to be made and make notation in ink thereon of reference to the date of passage and approval of this amendatory Ordinance.

SECTION V

If any section, clause, provision or portion of this Ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Ordinance shall not be affected there by.

This Ordinance shall be in full force and effect from and after its publication as provided by law.
