From: David Fierke, City Manager

Subject: Transfer of Right-of-Way Use Agreement

ACTION: Approve Resolution for Transfer of Right-of-Way Use Agreement

Background

In 2014, Jonathan and Morgan Fitzgerald obtained a Right-of-Way Use Agreement from the City for a portion of undeveloped Williams Drive adjacent to their property located at 1196 Colonial Drive (see attached Agreement and map). This property is in the process of being sold to new owners, Brad and Andrea Henderson. To allow for continued use of this right-of-way area, the Use Agreement for this property is to be transferred to the Hendersons.

The right-of-way adjacent to this property is part of the Fox Briar Addition, a subdivision platted in the 1980's. 2 of the 4 phases of the subdivision have been completed; however, the portion that is platted east of the home at 1196 Colonial Drive has yet to be developed. The home at this property was constructed in 1989 with the assumption that the street to the east (Williams Drive) would be completed. The garage was constructed at the rear, which requires access via the undeveloped portion of Williams Drive.

Analysis of Issue

The established Use Agreement for this property states that the right-of-way use privilege granted to the Owner by the City is a mere privilege and is not transferrable without the City's prior written consent. This transfer will allow continued use of this right-of-way area to the new owners. All terms provided within this Agreement will remain the same, as this is just an Agreement transfer to the Hendersons.

Budget Impact

This request will not require any City expenditures.

Strategic Plan Impact

N/A

Existing Plan Impact

The undeveloped area east of this property is identified in the City's 2012 Housing Assessment as a potential area for new residential development.

Staff Conclusions / Recommendations

Subject to Council Review, Staff recommends approval of the resolution for transfer of the Right-of-Way Use Agreement to the Hendersons for the encroachment area directly east of the property.

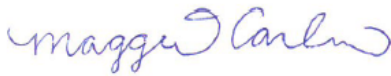

Alternatives

The alternative would be to not approve the resolution to transfer the Use Agreement to the Hendersons, which would make the undeveloped portion of Williams Drive unusable for the new property owners until a road is constructed.

Implementation and Accountability

If the Council approves the resolution, the City will execute the appropriate documents to complete the Right-of-Way Use Agreement transfer to the new property owners.
