MEDIA RELEASE

FOR IMMEDIATE RELEASE
APRIL 30, 2020

On Monday, April 27, 2020, Governor Kim Reynolds issued a supplemental proclamation easing several restrictions in 77 of Iowa’s counties, including Webster County, effective May 1, 2020. As a result, the City of Fort Dodge will no longer ask residents to refrain from holding garage sales or yard sales as of tomorrow, May 1, 2020. Please use good judgement and follow all social distancing regulations as required by the Governor.

We want to thank all residents of Fort Dodge for actively respecting the importance of social distancing in order to help reduce the spread of COVID-19 in our community. Remember to keep doing your part, stay home if possible, wash your hands and cover your cough.
