## MEDIA RELEASE

June 2, 2020

*RE: TRACK CAMP MODIFICATIONS DURING COVID-19*

In our attempt to provide opportunities for our citizens to gain knowledge and skills, we will be using modified rules and procedures for our programs due to the COVID-19 outbreak. In order to maintain this opportunity everyone must follow the modifications outlined below. REMEMBER: If you are sick stay home, practice mindful and intentional personal etiquette when coughing or sneezing and above all wash your hands often!

### Track Camp Modifications

- Participants will require a guardian to check them in at our facility, and will be able to stay the entirety of the track session
  - Guardian must be at least 15 years old, one guardian/child
  - No additional spectators will be allowed into the facility
- Ratios for an instructor to participants will be the following:
  - 8 children: 1 instructor on each field
- To help with the spread of the virus we strongly encourage each participant to bring their own equipment (softball and Frisbee). If needed there will be city supplied equipment available each day which will be sanitized after each session by staff.
- Highly touched zones will be sanitized after each session
