2. Officers requesting trade time shall submit the request through the chain of command on the "Trade Time Request Form". The "Trade Time Request Form" must be signed by each officer involved in the trade. Trade time is granted after it has been approved by the supervisors of the trading officers. This form will be forwarded to the Department Secretary for documentation. The Patrol Captain will be sent an electronic copy of the form for their records.
3. Trade time will only be initiated by bargaining unit members. Officers requesting trade time should submit such requests more than twenty-four (24) hours prior to start of the shift being traded. If the need for a trade arises inside of the twenty-four (24) hour window the trade can still be made with the approval of the supervisors of the two (2) officers.
4. No more than twelve (12) trades may be used during each calendar year and may not be accumulated from one (1) year to another.
5. Only four (4) trades are allowed in a thirty (30) day period without the approval of the Patrol Captain. A trade can include up to two (2) days in a row as one (1) trade.

7. Trade time pay back must be completed within a thirty (30) day period of the first shift (or hours) traded.

Memorandum of Understanding

Between the
City of Fort Dodge
and the

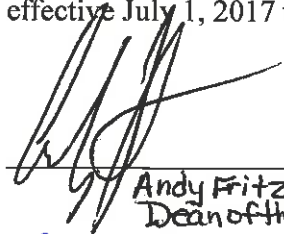

PPME Local 2003, District Council 81, IUPAT.

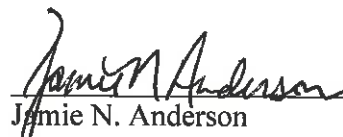

This Memorandum of Understanding (hereinafter the "Agreement") is entered into by and between the City of Fort Dodge, Iowa (hereinafter the "City") and PPME Local 2003 (hereinafter the "Union").

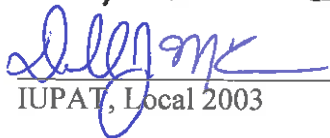

The intent of this memo is to provide clarification to Article 22, on College Compensation, regarding a B.A. or B.S degree that would qualify for a 1.5 step increase in pay. The collective bargaining agreement currently states in order for a non-probationary officer to receive a 1.5 step increase, he or she must hold a "B.A. or B.S. degree from an accredited college or university with major course work in a law enforcement, criminal justice, police science, public administration, or a closely related field." The City and Union shall work together to review official transcripts and make a determination as to whether a degree not listed above shall qualify as a "closely related field."

A degree in a closely related field shall be defined as that which the employee is expected to apply their knowledge and expertise, as indicated on their official B.A. or B.S. college transcript, on a regular, continual basis within the course of their assigned police work.

Both parties agree to apply this understanding of a closely related field to determine whether or not an officer qualifies for the additional college credit pay. This Agreement shall be effective as of the date of signing and shall be in full force and effect for the collective bargaining agreement between the City of Fort Dodge and PPME Local 2003 effective July 1, 2017 through June 30, 2020.

Memorandum of Understanding

Between the
City of Fort Dodge
and the

PPME Local 2003, District Council 81, IUPAT.

This Memorandum of Understanding (hereinafter the "Agreement") is entered into by and between the City of Fort Dodge, Iowa (hereinafter the "City") and PPME Local 2003 (hereinafter the "Union").

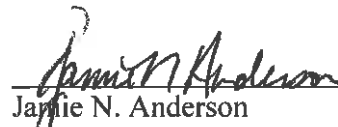

The intent of this memo is to change Article 17, Uniforms, subsection #3 regarding the type of weapon officers are allowed to carry. The collective bargaining agreement currently states "The handgun must be of .40 caliber and be able to utilize standard issue ammunition as provided by the employer." Due to the increasing diversity of the police department and the desire to continue to recruit and retain a diverse police force, the City and the Union have determined there should be more than one type/size of handgun allowed to accommodate different body types, ensure a good fit, and permit the officer to adequately perform their duties.

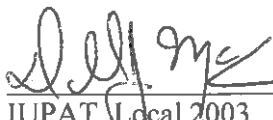

Therefore, the City and Union both agree to the following language change to Article 17, subsection 3, of the collective bargaining agreement: "The handgun chosen must be of a 9MM, .40 Caliber or .45 Caliber, and must be able to utilize standard issued ammunition as supplied by the employer. Hand guns chosen must be in accordance with the policy of the Fort Dodge Police Department."

All other language remains the same.

This Agreement shall be effective as of the date of signing and shall be in full force and effect for the collective bargaining agreement between the City of Fort Dodge and PPME Local 2003 effective July 1, 2017 through June 30, 2020.
