Shed Assignments: “NO WAIT LIST”

- Shed rentals will be given on a first come, first served basis.
- Stalls shall be assigned by Lakeside staff.

Shed Assignments: “WITH A WAIT LIST”

- To put your name on our waitlist, please email parks@fortdodgeiowa.org with the following information:
 - Name, phone number and type of cart you have (gas or electric)
- When openings occur, those pass holders highest on the list - that have a cart specific to the stall available (gas or electric stall) will be given priority to rent. **EXAMPLE:** If you have a gas cart, and only an electric stall is open we will go to the first person on the waitlist that has an electric cart.
- Gas stalls are rented for gas carts.
- Electric stalls are rented for electric carts.
- Only when the entire Waitlist and Transfer List have been exhausted can a gas cart go into an electric stall.
- We will contact you once it is your turn and we have a cart shed open.

Requesting a Transfer

- Those golfers currently renting a golf cart shed can switch their stall if one is available. This can only be done through a written request by emailing parks@fortdodgeiowa.org.
- Lakeside staff has total authority to assign/switch stalls. At no point can the renter switch or sell their rented stall.
- Transfer List will be completed before moving onto the Waitlist.
- We will contact you once it is your turn and we have a cart shed open.
